OUR VALUES

PEACE OF MIND

Our needlepoint kits are a great opportunity for kids and parents to spend quality time together, learn new skills, and do something that is both fun and relaxing.

SAVE THE PLANET

From raw materials, packaging, assembly and transportation, we drive to minimize waste and maximize our social contribution.

REUSABLE PACKAGING

Our packaging is designed to minimize space and avoid waste.

THE GIFT OF MAKING

In this day and age, one of the most valuable skills we can provide our kids with is creativity. Our products help them become more creative thinkers.
